GORDON NOWELL (1974) LTD

New!

New!

Gentec has been selling torches and welding accessories worldwide for over 60 years. Habsons is now offering the same great quality in the "Small Torch" to jewellers and craftspeople. The "Small Torch" regulators and accessories are high quality, manufactured to world standards, and offer great value. Braze and solder material from the tiniest up to 1/8" thick steel. Easy manipulation in very tight spaces. Provides stable and precise concentrated feather flame up to 6000°F. Durable and flexible hoses ("B Connection") with "A" fittings adapter included.

Small Torch Basic Kit

Each basic kit contains the Small Torch handle, five tips (for Oxy/Propane: tips #3, 4, 5, 6 & 7), and 12' oxygen and fuel hoses with "B" fittings (9/16") and "A" fittings (3/8") adapter.

Item No. 14-995

Price: \$169.95 ea

Small Torch Replacement Hose Set

Durable and flexible hoses for the Small Torch come with standard "B" fittings and include an "A" fitting adapter with each. Length of hoses is 6 feet and includes Oxygen and Fuel hose.
